UCT to celebrate five years of partnership with Khayelitsha schools

Saturday, 26 August 2017; 09:00-12:30; COSAT: 50 Sinqolamthi Street, Ilitha Park, Khayelitsha

The Schools Improvement Initiative (SII) at the University of Cape Town is celebrating five-years of partnership with schools in Khayelitsha and the Western Cape Education Department. Through the SII programmes, UCT mobilises university-level resources to improve the quality of teaching and management in the partner-schools.

The celebration on 26 August aims to pass on insights and lessons learnt through the SII partnership. The programme will include conversations about:

- How UCT student volunteerism and service learning is having a positive impact on schooling.
- What schools need from a university-based schools improvement partnership.
- How the exciting development of the COSAT Wellness Centre is making a positive difference at the school.
- How the 100Up programme has led to a significant increase in enrolments at UCT from Khayelitsha.

Interviews can be arranged before or after the event. Please scroll down for more information on the event.
