

# Template for Impact Case Studies Submission

**Title of the Impact Case Study/Project:**

**Project leader/team**

**Faculty**

**Department/Unit**

**Summary of the impact:**

(Including who or what has benefited, been influenced, or acted upon.)

**Underpinning academic work:**

(Either research or teaching. Conducted by which Department or Unit?)

**Narrative description of the impact:**

(A detailed narrative explaining the nature of the impact in terms of difference made, the sector of society which stood to benefit from the impact, the reach and significance of the impact, over what period the impact occurred, and how the impact arose as a result of academic work at the submitting university.)

**Evidence and sources to corroborate the impact:**

(For examples of evidence see Section 5 of the Guidance Note. For quantitative evidence please use publicly available figures as far as possible, with references. For testimonials by sources external to the submitting university (which may be appended to the impact case study) please provide details on how the sources can be contacted for audit purposes.)

**Any other information considered relevant:**

**Signed off on behalf of the University by:**

**Date:**

[Length of the Impact Case Study: Please do not exceed 1,500 words in total, excluding appended testimonials.]
