Greetings,

Prof Bongani Mayosi was affiliated with the School of Clinical Medicine in the Department of Clinical Medicine as an extra ordinary professor. He made a significant contribution in our faculty through his support and mentorship towards our academic program and research. He will surely be missed.

May the dear Lord grant you strength and console your hearts during this time of mourning.

“Yea, though I walk through the valley of the shadow of death, I will fear no evil: for you are with me; your rod and your staff they comfort me” Psalm 23:4

With our sincere condolences,

Prof N Mofolo
Head: School of Clinical Medicine,
